# HORSE SHOW RULES AND REGULATIONS

## CONDITIONS OF ENTRY AND FEES:

1. The show is open to all. Exhibitors must become associate members of the Lethbridge Saddle Club, Membership \$1.00. Each member must be a bona fide breeder or owner. Entry must in every instance be made in the name of the bona fide owner, except where it is stated that different owners may combine. If any person shall exhibit an animal of which he is not the bona fide owner, except where sire and get are shown, or under false entry as to age or otherwise, he will forfeit any premium which may be awarded him and may be precluded from exhibiting in the future. Entry fees according to prize list for class as stated.

2. Only animals that have competed in the regular classes and that have won first or second place are eligible for championship classes. No entry necessary for championship.

3. Errors or corrections in entries, if allowed, must be made with the Livestock Superintendent before the commencement of the programme in which the class is to be judged.

4. The Lethbridge Saddle Club Light Horse Show reserves the right to refuse any entry. All entries must be named at time of entry, and substitution of one horse for another will only be allowed in case of sickness or lameness, notice of which, accompanied by certificate from the official veterinarian must be lodged with the Livestock Superintendent before the programme commences in which the class concerned is being judged.

5. Entries in the purebred classes must be recorded in the Canadian National Livestock Records, in the name of the exhibitor. If there is a Canadian National Record for the breed—if not, animals must be registered in a stud book recognized as reliable by the Dominion Department of Agriculture.

6. A purebred animal, that is, an animal sired by a purebred stallion and whose dam is a purebred mare, cannot be shown in grade classes except geldings.

7. A novice is a horse that has never won a first prize in a similar class prior to this show.

8. The age of each animal must be stated in the form of entry, and shall be computed from the first day of January of the year in which the animal was foaled.

9. Animals must be shown in proper class as to age, and may be shown in as many classes as eligible.

#### **MEASUREMENT:**

10. Horses and ponies shall be measured by such person or persons as the Executive Committee may appoint before entering the ring, in the shoes in which such horses and ponies will compete, and the certificate of measurement will be accepted for this year's Horse Show, unless the judge of the event in which such horses or ponies are entered shall direct re-measurement to be made by the official measurer, which re-measurement shall be accepted. No changing of shoes to effect a re-measurement will be permitted.

11. In all classes where height is a condition competitors must have a certificate of height, by authorized or official measurer, in the ring at the time of showing or exhibit will not be allowed to compete.

12. The Executive Committee may order any horse or pony measured, at any time, whether before or after class has been judged, and any competitor refusing to bring such animal out for measurement will forfeit any prize money won by him at this Horse Show.

13. The Executive Committee reserves the right to have any entry examined by the Official Veterinary Surgeon whenever they deem it necessary.

14. Any horse or pony entered in a wrong class as to height or age may be changed into its proper class upon notification to the Livestock Superintendent before class is judged, so that correction may be made in judge's book, but the substitution of one horse for another will not be allowed. See Rule 4.

15. The Official Veterinarian will be at the office of the Livestock Superintendent at 11:30 a.m. the first day of the show, prepared to issue certificates of height and age.

16. No animal exhibited shall be decorated with the prize ribbons or colors until after the awards are made, except in championship classes.

17. Horses not under proper control or showing signs of abuse may be ordered out of the ring by the Secretary, Director in charge, Judge or Livestock Superintendent.

18. No person may ride or drive more than one entry in each class, except jumping classes, and polo ponies.

19. All horses must be paraded whenever so ordered by the management. Exhibitors failing to comply with this rule will be liable to forfeit any prize to which they may be entitled. Exhibitors must ascertain from the catalogue, at what hour judging will take place, and all exhibits must be ready to come into the ring 15 minutes previous to the time specified in the programme. Exhibitors will not be called. No complaint or appeal based upon the statement that the Judge has overlooked an exhibit will be considered by the Committee. Exhibitors not having their entries forward when required for judging will forfeit all claim to prize or entry fees.

20. No exhibitor will be allowed in the judging ring while the judging is taking place, except when personally showing an entry.

#### **LIABILITY OF EXHIBITOR:**

21. Notwithstanding anything to the contrary herein contained, it is understood that each entrant by the act of entry or exhibiting waives all claims against the Lethbridge Saddle Club Light Horse Show and\* or any of the members, officers or agents thereof, for any and all injury, loss or damages which he, his employees, helpers and\* or property may sustain arising in any way out of the operations or activities of the said Club, officers, members or agents, and indemnifies the said Club, officers, members or agents from and against any loss or damage sustained by the said Club by reason of any claim made by any of his helpers or employees or their executors, administrators or assigns and that any helpers or assistants introduced to or engaged by any entrant through the said Club or any of them or through their members, officers or agents shall be at the sole risk and responsibility of such entrant.

22. The date of birth of girls and boys making entries in children's classes must be stated on entry form when making entry.

25. Any exhibitor lodging a protest must first deposit \$10.00 with the Secretary, which sum shall be forfeited to the Club if the protest be not sustained. All protests must be made in writing, setting forth the reasons for the protest, signed by protestor, and must be lodged within 24 hours after the award is made.

26. In case of any infringement of the Rule, the executive committee may take action without a protest being filed.

27. Any prize may be withheld when the judges are of the opinion that there is not sufficient merit in the entry exhibited to justify an award.

28. The judge may, if he desires, call in the Official Veterinarian to pass on any horse as to soundness, height, or for any other reason. The judge's decision is final.

29. Any person who shall, in the opinion of the Executive Committee, attempt to interfere with or influence the judges while in the discharge of their duties, or who shall at any time on the premises of the Club, use any contemptuous or abusive language to any judge, or within his hearing, in consequence of any award being made by him, or any exhibitor who refuses to accept any award by a judge, shall forfeit any prize already won and his right to show in any subsequent classes. Judges are particularly requested to report any breach of this rule.

#### **RING REGULATIONS:**

## **HUNTERS AND JUMPERS**

All Hunter classes will be judged 80% performance and way of going 40% conformation and soundness.

Each horse shall be ridden at the fences in his turn, according to a list prepared by the Master of the Ring.

When a horse makes two faults at one jump, only the major fault will be counted. Refusals will be counted in addition.

Judges or scorers may order any horse from the ring when it has no further chance of being placed in the ribbons.

Horses will be judged on taking the jumps according to the following scale of faults:

### **HUNTERS**

Knocking down obstacle with hind limbs	2 faults
Knocking down obstacle with front limbs	3 faults
Horse or rider or horse and rider falling	4 faults
First refusal or bolting at any one jump	2 faults
Second refusal or bolting in succession at same jump	3 faults
Third refusal or bolting in succession at same jump	Debarred
Failing to jump obstacles in order indicated	Debarred

Ticks will not be scored no "slip ticks" will be placed on the obstacle and no faults will be scored against a performance for a "touch" with the fore or hind limbs without knocking down obstacle.

When a hunter makes a bad jump the judges will use their own discretion as to the number of faults to be awarded in addition to those indicated above; and in making their awards will consider the manners, form and clearness of the competing horse.

Hunting pace should be maintained throughout.

Horses will not be allowed to walk up to the jump for sighting purposes.

## **JUMPERS**

Conformation not to count performance only to be scored as follows:

Touch with hind limbs without knocking down obstacle	1 fault
Touch with fore limbs without knocking down obstacle	1 fault
Knocking down obstacle with hind limbs	3 faults
Knocking down obstacle with fore limbs	3 faults
Horse or rider or horse and rider falling	4 faults
First refusal or bolting at any jump	3 faults
Second refusal or bolting in succession at same jump	3 faults
Third refusal or bolting in succession at same jump	Disqualified
Failing to jump obstacles in the order indicated	Disqualified
Turning a horse around between jumps will count for each offense	1 fault

Slip ticks will be placed on all jumps (except brush) and whether the horse knocks off a "slip tick" shall be the absolute criterion as to whether or not he is to be faulted as "touching with hind or fore limbs without knocking down obstacle."

Only the actual faults made at each obstacle shall be counted (subject to above scale of faults). Neither style or way of going either at or between the obstacles shall be considered.

No rider under the age of 15 years shall be allowed to ride in hunter and jumper classes without permission of the Executive.
